- Notebook and pen

#### ***Please note:***

***You will be making samples of designs using each of the templates and rulers, however your finished work will not look the same as the store class sample which highlights the designs we will learn.***

***This is Free Motion Quilting. Please look in your sewing machine manual to see if your machine has a setting for this technique. If you need help, please ask your sewing machine dealer before class.***

***Please clean your machine before class.***
