BERNINA 3, 4, 5, & 7 Series Machine Mastery Supply List
Quilting

The Quilting Mastery / Guide class is divided into two parts (about two-thirds / one-third). The first section focuses on features on the sewing side of your BERNINA sewing machine. The second section focuses on features using the embroidery module for computerized quilting and designing quilt labels.

Items highlighted in yellow are needed for the second part of the class when the embroidery module is used.
