Student Supply List

Pattern: Grainline Studio – Archer Button Up Style #11004. *Your size and either a B-cup or D-cup*) If you own a pattern you want to use, please bring it.

Fabric: The back of the pattern will note the amount of fabric needed for your size. Please choose a fabric without a silky feel. It would be a challenge to keep up. No plaid or patterns that need to be matched.

Size: If you are between sizes, please use the larger size to determine how much fabric to purchase. If you need help with fitting, please take Garment Construction #1 Intro to Fit and Measure.

- ☐ Your Sewing Machine (Straight Stitch and/or Serger).
- ☐ Thread to match the item being altered.
- ☐ Your Sewing Supplies (Pins, Needle, Fabric Shears, Ruler, Seam ripper)
- ☐ Notions (Buttons, fusible interfacing to support the fabric)
- ☐ Tracing Paper, or any marking tools you are comfortable with
- ☐ Measuring tape – Dritz (with 1/8")

Prep Tips:

When is the last time you serviced your machine? When is the last time your shears were sharpened?

After Garment Construction #1, you will receive prep-instructions this class.
