

Felted Wool Mittens

Wendy Kleman Instructor
Sew Much More

You are going to love these mittens! They are the warmest mittens you will ever own. They are a great recycling project. They make great gifts. What more could we ask for?!?!?

Supplies:

- One to three wool **sweaters** (we need wool knits not wool woven fabric) that have been felted (You can use a different color for each piece of the mitten...the back the front and the thumb)
 - To felt a sweater look for 100% wool sweaters (you can get away with up to 80% wool. Lamb's wool turns out the nicest if you can find it) Wash the sweaters with some towels in hot water , with your regular detergent. and then dry in the dryer. Avoid real thick bulky sweaters as they are too stiff once felted. We will be using the cuffs of the sweater for the cuffs of the mittens, so try to bring a felted sweater that has them. Don't take your sweater apart until we meet in class.
- All purpose thread
- ½ yd of fleece knit fabric for the lining (this does not really show but it is nice if it coordinates with your mitten colors. Buy anti-pill or Polarfleece. You can recycle a fleece jacket or pullover if you want
- Ultra suede or thin leather. OPTIONAL I put this on the palms for better gripping for driving
- Fabric scissors and paper scissors rotary cutter if you prefer
- Pencil
- Sewing Machine

For this class I am presuming you have basic sewing machine skills.

Basic Sewing Supplies (Pins, needles, scissors, rotary cutter, thread, seam ripper,

Sewing Machine in good working order. Always a good idea to clean, oil, put a new needle in before class. Bring the manual for the machine if you are not familiar with all aspects of the machine.
