Description:

Do you like to start new quilting projects? You're not alone.

Do you have a pile of UnFinished Objects (quilt projects)? Many of us do!

Did you make a resolution to work on your UFOs? I sure did!

Do you need help organizing and "Figuring it out"? Come and get some help.

Bring whatever you have and make some measurable progress on your projects.

This class will be a NO JUDGEMENT Zone!

Supply List:

Please bring the following:

Whatever you need to work on your projects!

Maybe consider:

Sewing machine, thread, pins, fabric, pattern, iron, freezer paper, garbage can (ok, joking).

Consider bringing more than one project in case you finish early or hit a brick wall.

Bring a friend. Remember, "A joy shared is doubled, a trouble shared is halved".

Snacks, beverages with sealed tops, lunch.

Smartphone with a camera to track your progress!
